

“Drinking good wine with good food in good company is one of life's most civilized pleasures.”

Michael Broadbent, acclaimed wine critic

Welcome to OKKU, it is our pleasure to introduce you to not only our wine selection but more importantly, the philosophy that supports both the selections we have made and the way in which we have chosen to present those selections.

The flavours, profiles and characteristics of wine are of course, entirely subjective.

Our desire is not to impose our beliefs upon you, our guests, but to present to you a carefully curated list that provides you an opportunity to confidently explore wines that are perhaps less familiar to you.

We have made every effort to categorise our wines according to style in an effort to enable you to explore wine, be it a varietal, region, country or producer that you may not have experienced previously but in the confidence that the style will be to your liking.
