The name "Musou," meaning "peerless" in Japanese, reflects the unparalleled nature of this exclusive offering. With only 10 coveted seats in an intimate Teppanyaki room, diners are transported to a world of culinary theatre, where master chefs take centre stage, preparing each course with meticulous care. Every element of the experience is curated to perfection, delivering an evening that transcends dining and becomes a lasting memory.

The menu is a harmonious blend of tradition and innovation, celebrating the freshest, finest ingredients. Signature dishes include Chilled Lobster Gazpacho, Ume Salad with Grilled Plum and Miso and the exquisite Wagyu Tartare on Crispy Rice. Main courses such as Chilean Seabass with Yuzu-Honey-Miso and Wagyu 9+ Beef with Yuzu-Kizami exemplify the artistry and precision that have become synonymous with OKKU along with tantalising choices catering for Vegetarians throughout the experience.

Musou offers an unmatched sense of exclusivity and refinement. The setting, deftly hidden through a secret door inside OKKU is as much a part of the experience as the cuisine, creating an intimate escape where every detail is thoughtfully designed to captivate.

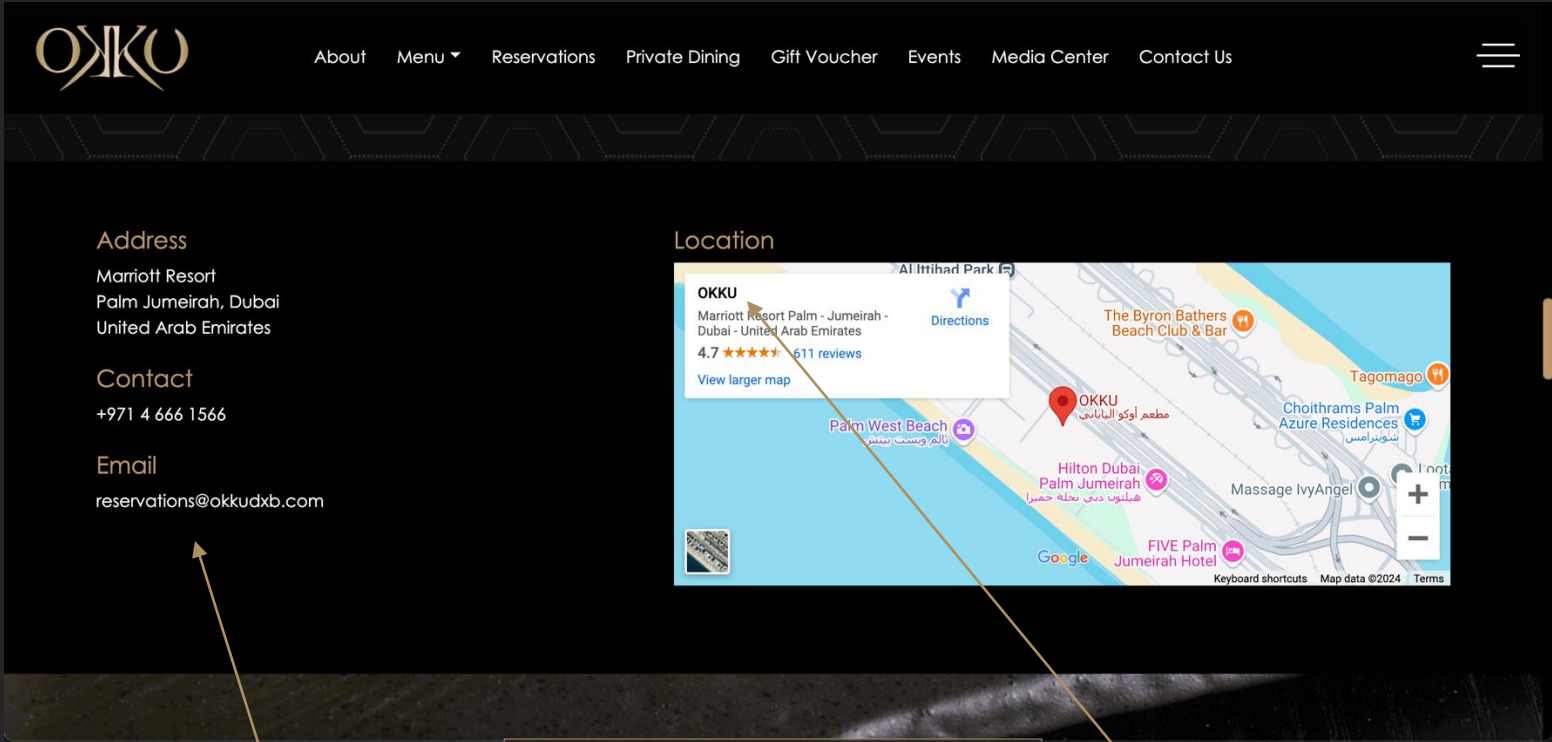

Musou by OKKU elevates Teppanyaki dining to unprecedented heights never before seen in Dubai, combining innovation, tradition, and sophistication to deliver a culinary journey that is nothing short of extraordinary.
